## When to Go

New Zealand is large and long, so the climate can be wildly different between the north and the south.

Summer is the most popular travel time because the weather is warm – ideal for the beach – and the atmosphere is festive. Attractions and accommodation can be busy at this time. Spring and autumn are quieter and the weather is beautiful. If you're in the north near Auckland, you'll still be wearing shorts. In the south, the nights will be cool but the days will be pleasant and the scenery will be stunning. This is a great time for hiking. In winter, the South Island can be very cold, making it perfect for a snow holiday in the mountains.

## Getting Around

**BY RAIL** Journey through New Zealand's most picturesque scenery by rail. Travel on the Northern Explorer between Auckland and Wellington, the Coastal Pacific between Christchurch and Picton or the TranzAlpine between Christchurch and Greymouth. See page 20 for details.

**BY COACH** InterCity's coach network covers the whole of New Zealand, with over 600 destinations to choose from. See page 19 for details.

**BY CAR** Take the time to explore and discover as you make your way through New Zealand by road. For getting around New Zealand, we recommend Budget and Avis car hire. See pages 16 and 17 for details or ask your travel agent about the great specials Budget and Avis have to offer. New Zealand is the perfect destination for a driving holiday. While driving distances may be short, it is important to note that the winding roads can mean travel times are longer than anticipated. See page 7 for driving times, and our tear-out map including itinerary planner, driving times and distances at the back of this brochure.

# Experiences You'll Love

The best part about travelling is the experiences you have along the way. There are countless amazing things to see and do in New Zealand. Here are a few of our favourites to help you create memories that will last a lifetime.

## Ice, Ice, Baby!

New Zealand is one of the rare places you can experience a glacier up close, and The Fox and Franz Joseph Glaciers are two of the most magical glaciers in the world. Heli hikes allow walkers access to the glaciers by helicopter for a once-in-a-lifetime experience.

### Home of Middle-earth

If you're a fan of Lord of the Rings and The Hobbit, Matamata in the Hamilton-Waikato region is a must see. For your own Middle-earth adventure, take a guided tour of the Hobbiton Movie Set and discover the land of lush pastures that was the backdrop for The Shire in the films.

### There She Blows!

Stand back and marvel at the geothermal wonders that abound in the Rotorua region. See warm mud pools, steaming craters, erupting geysers and the southern hemisphere's largest hot waterfall. You'll feel like you've stepped onto another planet.

### Cosmopolitan Queenstown

You'll be spoilt for choice with the dining and nightlife options in cosmopolitan Queenstown. Enjoy a superb wine with striking lake views, a delicious meal by a crackling fireplace and more than 150 bars that buzz every day of the week. Check out the ice furniture and cool cocktails at the Minus 5° Ice Bar and grab a world famous burger from Fergburger.

### Say 'Kia ora'

Visit an authentic Maori village and enjoy a traditional Hangi and show. Eat amazing food cooked underground at the Waitangi Treaty Grounds Hangi and Concert in Paihia, or learn the art yourself at Kai Ora Maori Hangi Experience in Whakatane.

### Meet the Friendly Locals

Frollic in the ocean with dolphins on tours in Kaikoura, Akaroa, and Bay of Plenty. On land, you may be lucky enough to see a kiwi in the wild! If not, you can see them at one of the many native zoos or sanctuaries, such as Zealandia near Wellington.

### Fabulous Fiords

Milford Sound is a fusion of spectacular natural features. Enjoy an afternoon or overnight cruise around the dramatic fiords, spectacular waterfalls and snow-capped peaks. For a unique view of this awe-inspiring scenery try flightseeing, kayaking or hiking on the Milford, Routeburn and Kepler Tracks.

The bubbling mud pools, hot springs and erupting geysers of Rotorua are quintessentially New Zealand. Learn about Maori culture and the proud traditions and heritage before journeying further south to join the locals for a spot of fishing on Lake Taupo or skiing and hiking in Tongariro National Park. Travel to Waikato to discover the iconic Waitomo Caves and gaze at the magical lights of the glow worms, before heading to Matamata for a guided tour of the famous Hobbiton movie set.

## South Island

The decision to holiday in New Zealand's South Island is easy – it boasts the best snow, great food and wine and every conceivable New Zealand experience from remote trekking to whale watching. The hard part is deciding where to start. You'll want to see it all – the silvery beaches of the Pacific coastline, the jagged peaks of the Southern Alps and the whales of Kaikoura.

### Experience the East Coast

Tour the world renowned Marlborough wine region where visitors are welcomed to sample wines at cellar doors. Explore Christchurch's picturesque bays and seaside villages. It's not every day you find yourself in a place of such incredible natural beauty, so make the most of it! Take your time exploring the Alpine Pacific Triangle through the gourmet Waipara Valley and the marine wonderland of Kaikoura, you'll find stunning country scenery along the way. Fish for trout in the local rivers, canals and lakes in Central Otago – the scenery alone is a good enough reason for a day spent by the water. You haven't experienced true relaxation until you've taken a soak in the naturally heated springs and mineral pools at Hanmer Springs. Such rewards are the perfect end to a day spent satisfying your more adventurous side with a bungy jump, forest hike or horse trek.

### Explore the West Coast

As you leave the East Coast, the mountainous landscapes of the West Coast beckon. Words can't describe the splendour of the high peaks, dramatic valleys and crystal waters of this rugged landscape. Experience the powerful presence and amazing beauty of the glaciers of the Southern Alps. Fox and Franz Josef Glaciers extend from the highest peaks to rainforests just 250 metres above sea level. Take a guided walk in this spectacular natural icy wonderland or enjoy a scenic flight above, both unforgettable experiences. Whether it's a ski holiday or summer getaway you're here for, Queenstown's sense of fun and adventure will make your spirits soar as high as the tallest peaks. From crystal clear Lake Wakatipu across to The Remarkables mountain range, Queenstown's environment is grand and awe-inspiring. Here, in the adventure capital of New Zealand, you'll find any type of adrenaline activity to fill your day, while the downtown area is alive with fun at night. Travel out to the picturesque regional towns for crisp mountain air and country indulgence that only New Zealand can offer. The locals know the value of their pristine environment and expertly share the best ways to experience it.

Please refer however to Clause 7.6 for special conditions in some cases.
- 7.3 The above cancellation fees are required to offset booking, communication and administration charges that will have already been incurred by us. In addition to our cancellation fee, you may also be required to pay cancellation fees imposed by our Suppliers (i.e. airlines, hotels, etc.) The amount of each Supplier's cancellation fee is beyond our control, and payment is solely your responsibility. You should check with your travel agent concerning the amount of a Supplier's cancellation fees.
- 7.4 To the extent that we are able to do so (bearing in mind we are dependent upon third party availability beyond our control) we will be pleased to incorporate any reasonable changes you request. An itinerary change may attract a fee similar to cancellation fees in Clause 7.2 above to cover our administration costs.
- 7.5 Some Suppliers may reserve the right to cancel or amend travel, accommodation, etc and GO Holidays must therefore reserve similar rights to cancel or amend any holiday arrangements.

- 7.6 There are cases where the terms of supply as to refundability of pre-payments require provisions different from the above. In those cases the conditions specific to your tour will be advised to you at the time your booking is processed.

## 8. Insurance

We strongly recommend that as a minimum you insure yourself fully against cancellation, disruption, loss of luggage and personal property, and medical expenses. Your travel agent will be able to provide you with further information.

## 9. Items Not Covered

Unless otherwise specified, the cost of meals, drinks, laundry, telephone calls, insurance, sightseeing tours, local taxes, airport departure taxes, aviation insurance levies and passport or visa application fees are not included.

## 10. Package Costs

Included in the tour costs are charges for normal booking procedure costs, communication costs, administration, research, printing, etc. Where the land arrangements of holidays are included in a composite package, an itemisation of costs will not be rendered.

## 11. Visas / Passports

For all holidays in this brochure you will require a valid passport. You are responsible for arranging your own passport, visa and health requirements (including inoculation where applicable). You should check with your travel agent who will be able to provide you with the necessary information.

## 12. Non-Use of Services or Facilities

If, of your own choice, you decide not to use part or parts of the arranged services or facilities, you will not be entitled to a refund from us (provided we have carried out our service with reasonable skill and care and to your requirements) and you may not be entitled to a refund from any Supplier.

## 13. GO Holidays Charter for Addressing Problems

In the event that you should strike a problem or you are dissatisfied with some aspect of the services or facilities during the course of your trip, our recommendation is that you take the matter up directly with the supplier of the service at the time, or as soon as practicable in the circumstances. This provides the opportunity to have the matter discussed and investigated on the spot and a remedy negotiated then and there to enable you to continue enjoying your holiday. We have found from experience that it is very difficult (in some countries impossible) for us to obtain redress for you once travel has been completed. If this does not work, we wish to be involved at the earliest possible moment and our commitment is that we will immediately work on resolving the issue to your satisfaction.

## 14. Health or Disability

Some Suppliers may reserve the right to refuse to carry or accommodate people who, because of a health condition or disability, may require services or facilities to be provided in a special manner or at a certain stage of pregnancy. You should check this with your travel agent.

## 15. Legal Claims

The laws of New Zealand will govern any claims or legal action in connection with the provision of our services to you. Any claim or legal action against the Suppliers is likely to be subject to the terms of your contract with them, and may be governed by the laws of other countries.
